A large teal circle serves as the background for the text.

Animated

plotly

The logo is a hexagon with a thick black border. Inside, there is a light gray background with a white grid. A line plot is shown with six circular points connected by a black line. The points are colored in a gradient from light blue on the left to dark blue on the right. The text 'ggplot2' is written in a large, black, sans-serif font across the middle of the hexagon.
